UNTIL DRIVEN BY COLD WEATH-ER TO WARMER QUARTERS.

ROMANTIC ADVENTURE ENDS SEVERE CRITICISM FOLLOWS

n the Marriage of a Young New Jersey Couple Whose Parents Objected to the Match.

Newark, N. J., Dec. 1.-La Vere Tallman, who is just 17 years old, and Beatrice Sanders, of the same age, were married here tonight after a romantic adventure which won for them
the consent of their parents to the
match. For six weeks they lived in
a cave in the Catskill mountains of
New York state, having left home because their parents would not consent to their marriage

Cave Life in 1910.

The young bride is a member of a well to do Newark family. The boy husband was a drug clerk. They fell in love last summer and when pleas for permission to be married failed they fled on September 18, taking what little more than bed. what little money they had and went to the cave, which they furnished with cheap rugs and rustic furniture. Tall-man shot rabbits and caught fish. The girl cooked flapjacks on a griddle which they found. Jack Frost An Intruder.

Cold weather drove them from their mountain retreat and they went to Yonkers, N. Y. The boy got work as a driver, but lost his place and his money gave out. They were in the railway station trying to keep warm when a policeman arrested them last night on a charge of vagrancy. Parents Relent.

The girl's parents promised that there would be no further opposition to the marriage when they learned she had been found and the pair were sent back to Newark. As soon as they arrived today they obtained a marriage license and the knot was tied.

EIGHT TIMES INAUGURATED AS PRESIDENT OF MEXICO

esterday's Programme Carried Out Without Interruption - President Diaz's Message to All Nations.

Mexico City, Dec. 1 .- "It is very gratfying to me to say that my heart is full of faith in the progress of a people who, like the Mexican, has known how to confer by their own efforts, a place among the lovers if toll, after having proved its valor of toil, after having proved its valor in patriotic defense of country, and that never as today could I declare that Mexico belongs definitely to the group of new nations of assured stability, because against the firm guarantee of peace which we possess, no influence tending toward its dissolution can now or ever shall be able to prevail.

President Diaz to all nations on the day of his inauguration for the time as chief executive of the Mexican nation, given expression through the medium of the Associated Press.

Peaceably and seemingly as a hap-py termination of the turmoil through which the nation has just passed, the ceremonies attending the taking of the oaths by General Diaz and Ramon Corrall, recently re-elected to the preslency and vice presidency, respectively, were conducted today ere will be no change in the per-

connel of the cabinet. The inauguration ceremonies octhe chamber of deputies. The hall was undecorated, plain and austere, the only emblem visible being a bronze coat of arms suspended on the wall back of the speaker's table. The presidential party and diplomats

after inauguration were driven imme-diately to the national palace, accompanied by the staff of mounted officers panied by the stan of mounted omcers and the presidential guard. At the palace President Diaz received the congratulations of deputations from various branches of the government. A few minutes later he received the diplomats in his private chambers. Ambassador Henry Lane Wilson, as dean of the corps, made a formal address which was responded to by the president. Tonight the city was bril-

## Condensed Telegrams Body of Son Found In Morgue

DENTIFICATION BY FATHER HELPS SOLVE A MYSTERY.

HYMAN WEINER OF ROXBURY

Name of the Young Man Who Shot and Killed a Philadelphia Policeman and Was Himself Killed.

Philadelphia, Pa., Dec. 1.—"That is my boy," said Leon Wiener of Rox-bury, Mass., tonight, when he viewed the body in the mofgue here of the man who shot and killed Special Po-liceman Barnett in a pistol duel in which he himself met his death. Left Home Two Months Ago.

Hyman Wiener, whose body is in the Roxbury about two months ago. He was 26 years old, and had served two terms in the reformatory and a term in the house of correction in Boston, it is stated. His identification helps to clear a mystery on which the detective force of this city have been working ever since the double killing on No-vember 28. He had carefully removed all clues from his clothing, and more than one hundred possible clues were run down before the body was positive-ly identified.

How Final Identification Was Made. Assistant Director of Public Safety O'Leary said tonight that photographs of the dead man, in which the eyes had been painted in on the negative, to give a life-like resemblance had done more than anything else to lead to the final identification. This was the first time such photographs had been made for police work.

PULLMAN CO.'S OFFER TO REDUCE UPPER BERTH RATES Is Opposed as Not Being a Sufficient Reduction.

Chicago, Dec. 1 .- An offer of the Pullman company to reduce the rates charged for upper berths in sleeping cars twenty per cent . where lower berths were priced more than \$1.50 to make the price of uppers \$1.25 as a minimum and reduce some lower-berth rates was opposed before the interstate commerce commission to-day by attorneys general of four states and by two railroads.

The Pullman company's offer left unchanged Pullman seat rates, and

unchanged Pullman seat rates, and was to become effective upon approv-al and acceptance by the commission. The opposition to the plan was of-fered on the part of the railroads on the allegation that they would have to stand part of the brunt of the lessened

'I don't think the twenty per cent-reduction represents the difference in service value of an upper and lower berth," said Attorney General James Bingham of Indiana.

"It is not enough; I stand on our petition," said Attorney General John

agreed Luther Walters Here, too," representing Attorney General Nor-wood of Arkansas. "It is not at all satisfactory," con

cluded Attorney General Charles West of Oklahoma. Commissioners Franklin K. Lane and

E. E. Clark therefore were confront-ed by an offer of voluntary reduction of rates for uppers (also a number of EMERGENCY LOAN FUND. material reductions in lowertoo much and the state officials called too small. The whole matter came on a combining of all complaints against steeper rates in one hearing by the commission, following an order from the federal circuit court that previous cuts ordered by the commission were not justified. The commission will hear further

arguments and if held advisable, will receive evidence in the specific cases combined in one hearing.

C. E. MOVEMENT

IS NOT DECLINING. Headquarters of the Society Make Vigorous Denial of Report,

Boston, Dec. 1 .- Denial of statements contained in a report of a meeting of Sunday school missionaries at St. Paul to the effect that the Christian Endeavor movement was declining was made at the headquarters of the society here today. Rev. Francis E. Clark, president of the United society, stated that during the months of October and November more new towns. November more new societies of Chrislan Endeavor were reported at the headquarters than ever before in the same length of time, when no special efforts were made to gather statistics. The states which have furnished the largest number of new societies during last two months are: California 67, lana 63. Nebraska 53, New Jersey

52, and Michigan 34 The officers of the United society re-port that this growth of the society is general and that it was never gaining ground more rapidly or healthily than today. The number of new societies recorded in sixty days was 570, or an average of more than nine a day. Of these societies 393 have been young people's societies, 29 have been intermediate and 141 junior societies Christian Endeavor.

SERVED TWO NATIONS.

Bristol, Pa., Dec. 1.-Daniel McCola s one of very few men in this country who can boast of having fought at Lucknow in the Indian mutiny of 1857. In recognition of his services as gun-ner in the Bengal artillery, the British overnment has sent him a silver and granted him a pension of a

shilling a day.

Although no back pay came with the pension, McCole believes he is entitled to it, and will make formal ap-plication. McCole, who is now 80 years old, is also a veteran of the civil war having fought in the Ninetysixth Pennsylvania volunteers, receiv-ing a wound at Fredericksburg. New York, Dec. 1.—As Ginno Bru-nello hurled himself through a fourth-floor window, smashing the glass and sash, detectives who had gone to his room to arrest him tonight caught the disappearing form by the feet. For twe minutes they pulled and panied, while Brunello, hanging head downward, outside the window, struggled and squirmed to free himself. A crowd which the street being looked.

which blocked the street below looked on expecting to see the man fall and be dashed to death.

With the help of policemen, the de-tectives were able to pull Brunello into

with prospects of having several of the
big bills ready for the first week.
The river and harbor committee of
the house began work yesterday on its
\$30,000,000 appropriation bill, and Representative Alexander of New York, its

consideration of the Indian appropria-tion bili today. This measure will car-ry about \$9,000,000 for the support of Indians and their institutions. Chairman Burke expects to have it ready

Many of the separate appropriation many of the separate appropriation bills originate with the appropriations committee, of which Representative Tawney is chairman. Sub-committees of that body are now at work upon the bill which carries funds for the legis-

bill which carries funds for the legislative, executive and judicial branches of the government and the measure providing funds for the District of Columbia. Both of these will be ready before the Christmas holidays.

The unusual activity upon the appropriation bills is due to a desire to have them before the house as early as possible, so that there will be ample time for their consideration. The rules of the house have been so changed during this congress that appropriation bills cannot be given as

DESCRIBED AS UNIQUE. Will Tend Rather to Sunder His Party Than to Knit It.

this subject, and that tariff reform was still a chief plank in the party's constructive policy, but, he explained, the unionists needed to obtain the formal

idea of popular government.
"The fact is that Mr. Balfour's pro-nouncement on November 29, that he was willing to submit tariff reform to

The interest in the speeches tonight centered in Premier Asquith's reply to the opposition leader. This was delivered at a great mass meeting at Walverhamton. The premier said:

"We are living in times of rapid movement, when it is a relief to wake any morning and not find some fresh part of the constitution reserved." carleature of the referendum than
